LAB2	NIC	192.168.2.4	255.255.255.248	192.168.2.1

1. What was the most difficult portion of this activity?

A: Remembering all commands for securing the router

2. Why do you think network documentation is so important to this activity and in the real world?

A: So that the future me and/or other administrators can perform tasks with ease over the network.
